Phase Three: Executive Summary for Schools

Executive Summary for Schools

Description of the School

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Boyle County Middle School has 640 students in grades 6-8. In the last 3 years our free/reduced lunch rates have grown from around 40% to closer to 50%. We are approximately 92% white (non hispanic). We are in a college community with Centre College located less than a mile away from campus. Overall our community expects us to maintain high educational standards and wants us to offer a variety class offerings as well.

School's Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs.

Describe how the school embodies its purpose through its program offerings and expectations for students.

Our mission at Boyle County Middle School is to prepare today's generation for tomorrow's challenges. We realize the challenging demands of the world today and strive to prepare each of our students to be successful in high school and then beyond. We work with our students to develop 21st century skills such as collaboration, communication and critical thinking and monitor their growth accordingly. We believe that developing a strong sense of responsibility and a positive attitude are key components in a successful life. Our soaring to new heights program and academic as well as extra-curricular successes are evidence of these beliefs.

Notable Achievements and Areas of Improvement

Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

Our school has achieved at its highest levels academically 3 of the last 4 years. We have done very well outside of the classroom winning conference championships in many of our sport teams as well as competing at high levels in the state competitions as well. Our football team won the 8th grade state tournament this year. Our other clubs have also won top honors at state level meetings such as KUNA and STLP as well. We also have many students involved in our visual and performing arts programs and being recognized at competitions for top performances. Our school looks to continue excellence in all areas our students enter inside or outside the classroom. We hope to continue to offer a variety of extra curricular activities and will work to get all students to proficiency.
