

Boyle County Food Services New Online Meals Payment Portal.

August 19, 2020

Dear Boyle County Schools Parents:

To help ensure the health and safety of all our students and staff, we ask that parents please consider funding their child(ren)'s meals account online through **MySchoolBucks**. Online payments are a seamless option while your child(ren) is/are learning at home and receiving meal deliveries. Making online payments will also help our team minimize the amount of cash/check deposits that need to be handled throughout the day when we return to the physical school. This allows us to focus on serving high quality, nutritious, and efficient meals!

Create your free **MySchoolBucks** account to conveniently and securely add money to your student's meal account online or with the mobile app. With **MySchoolBucks** you'll also be able to view cafeteria purchases, check your student's balance, and receive low balance alerts.

Get Started Today:

1. Go to **www.myschoolbucks.com** or download the **mobile app**
2. Create your free account and add your students using their school name / student ID (available in the Infinite Campus Parent Portal or by contacting your child(ren)'s school)
3. Add funds using your credit / debit card or electronic check
Note: For each transaction, you will be charged a program fee of \$2.49
4. Set up automatic payments and never forget to send in lunch money again

If you need assistance with your account, you can find helpful how-to videos and answers to commonly asked questions by visiting myschoolbucks.com. Or, you can contact MySchoolBucks directly by logging into your account to start a chat conversation or give them a call at (855) 832-5226. Be Well,
